Guest Speaker Biography

Mr. Robert Graber, STARgroup Solutions, LLC

Bob has over 40 years of experience with various Department of Defense and NASA contractors managing and performing operations analyses and simulation, quantitative risk assessments, and reliability engineering modeling and analyses. He is currently with STARgroup Solutions, LLC.

Recently, he has supported numerous NASA Engineering and Safety Center (NESC) projects as a core member of the NESC Statistics Engineering Team, and has been awarded the NESC Individual Engineering Excellence Award and the NASA Exceptional Public Service Medal. He was elected and served as president of the Greater Houston Area Chapter of the Society of Reliability Engineers (SRE) in 2012 and 2013.

SRE Mission Statement

The SRE is an organization that promotes reliability engineering through a community of professionals involved or interested in the application of reliability in all areas of the discipline. SRE has chapters in many US locations as well as internationally.

SRE Purpose Statement

The SRE Greater Houston Area Chapter was established to provide a forum for education, networking, and professional development in the reliability discipline. Our current focus is in the NASA community, but will extend to other industries as the chapter continues to grow throughout the Greater Houston Area.
